

*Kent Desormeaux, thoroughbred racing legend, will join us at this exclusive and inspirational event celebrating the sound beginnings received by so many at Lexington Hearing & Speech Center. With a special introduction by Robert Clay of Three Chimneys Farm, the three-time Kentucky Derby winner will share his thoughts on life's triumphs and trials both personal and professional. The Racing Hall of Fame Jockey will help LHSC as we induct our newest class into the Frankel Hall of Fame.*

*Named for LHSC's founders, Jimmy & Edie Frankel, this hall of fame stands as a physical reminder of what an individual can and will accomplish with a sound beginning. The Frankels set the gold standard for all of LHSC's students, staff and supporters who work every day to continue their legacy.*
